

FACULTY DETAILS | DESIGNATION | DOMAIN / EXPERTISE

Mr. Gagan Dubey

Assistant Professor of Practice

Institute: CSPIT

Department: U & P U Patel Department of Computer Engineering

Domain: .NET Core Programming, Full Stack Development, Cloud Computing

Mr. Harshal Trivedi

Professor of Practice

Institute: CSPIT

Department: Department of Computer Science & Engineering

Domain: Machine Learning, Deep Learning, Generative AI

Mr. Nilesh Vaghela

Professor of Practice

Institute: CSPITs

Department: Department of Information Technology

Domain: Cloud Computing, Operating Systems

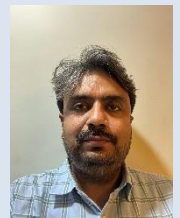

Mr. Nikunj Patel

Professor of Practice

Institute: CSPIT

Department: Department of Information Technology

Domain: Software Engineering, DevOps, Software Project Development

Mr. Divyesh Kamothi

Associate Professor of Practice

Institute: CSPIT

Department: Department of Information Technology

Domain: Full Stack Development, Web Technologies

Dr. Darshan Patel

Professor of Practice

Institute: BDIAS

Department: Department of Medical Laboratory Technology

Domain: Vaccine Technology

Dr. Surbhi Jain

Professor of Practice

Institute: BDIAS

Department: Department of Medical Laboratory Technology

Domain: Clinical Trials, Medical Data Management, Medical & Scientific Writing

FACULTY DETAILS | DESIGNATION | DOMAIN / EXPERTISE

Dr. Devendra V Thakor

Associate Professor of Practice

Institute: DEPSTAR

Department: Department of Information Technology

Domain: Machine Learning, Neural Networks, NLP, Computer Vision, Data Analytics

Dr. Jaishree Tailor

Professor of Practice

Institute: DEPSTAR

Department: Department of Computer Engineering

Domain: Software Engineering, Testing & Automation, GenAI Use Cases

Mr. Amit Parmar

Associate Professor of Practice

Institute: DEPSTAR

Department: Department of Information Technology

Domain: AI / ML / Deep Learning, Generative AI, Computer Vision, Reinforcement Learning

Mr. Parth Parekh

Assistant Professor of Practice

Institute: DEPSTAR

Department: Department of Computer Science & Engineering

Domain: NLP, Cloud Computing, AI Solutions, Machine Learning

Dr. Ravikumar R Paghdal

Associate Professor of Practice

Department: Department of Computer Engineering

Domain: Cyber Security, Offensive Security, Network Defence, Vulnerability Assessment, Ethical Hacking

Mr. Anand Bhatnagar

Professor of Practice

Institute: IIIM

Department: Department of Management Studies

Domain: Strategic Management, HR Management, Marketing Management

Dr. R.V. Upadhyay

Adjunct Professor

Institute: PDPIAS

Department: Department of Physics

Domain: Science & Engineering Research, Ph.D. Guidance, R&D Advisory

FACULTY DETAILS | DESIGNATION | DOMAIN / EXPERTISE

Dr. Gayatribahen Patel

Adjunct Professor

Institute: RPCP

Department: Department of Pharmacy

Domain: Regulatory Affairs, Research Methodology, Academic Writing
